Programme

Entrepreneurship and Training

The aim of this training is to alert and raise awareness of the importance of entrepreneurship in the success of companies, highlighting the skills required by entrepreneurs and their training, which must be continuous and assumed as the key to success.

Therefore, we will discuss **types of entrepreneurs, entrepreneurship competence framework, entrepreneurial skills, importance of the education/training for the success of the entrepreneurs** and we will present cases of success.

Study Visit

Understanding how some companies have overcome the crisis and exploring new markets and opportunities with the local support.

Carla Barros

“I'm looking for a place that needs a lot of remodeling and repair, but one that has solid foundations. I am willing to demolish walls, build bridges and light fires. I have a great experience, a lot of energy, a bit of this 'vision' thing and I'm not afraid to start from scratch”.

(Steve Jobs)
